1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>As feedback is essential in the teaching-learning process, the college effectively implements the policy of a feedback system. The feedback forms are distributed to the Students, Alumni, Teachers, Employers, and Parents at the beginning of the second semester and collect it at the end of the semester. Right after collecting the feedback forms, the Feedback Committee go through the feedbacks and analyses and submits the feedback reports to the IQAC and tries to implement the recommendations made by the committee. The College has an online as well as an offline mechanism for the feedback. Feedback is an essential part of the effective teaching and learning process. Feedback Committee plays an important role in this process. At the beginning of the year, the feedback forms on the curriculum and other parameters are circulated to the Students, Alumni, Teachers, Employers, and Parents. Manually collected feedbacks on curriculum, teaching-learning process, infrastructure, and physical facilities have been analyzed. Received feedback is then analyzed by the Committee and IQAC. After having some suggestions by the concerned HODs, an analyzed report is placed before the CDC and necessary action is taken as per the decision of CDC. The feedback report is uploaded on the College Website. The obtained feedback is analyzed and the necessary actions are implemented by the college.</p>

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institution has formed an Examination Committee for smooth conducting the examinations and making policies and decisions in regard to organize examinations, improving the system of examination. In the CBCS pattern, internal evaluation for thirty marks is carried out rigorously at an institutional level. Questions for Home Assignments are asked in such a manner where students have to read the text and reference books closely and Tutorials are conducted as per the scheduled timetable. Examination Committee displays the schedule of the internal evaluation system on the notice- board. After an assessment, all the results are displayed on the notice - board. Each teacher prepares the Question Bank. Internal Evaluation is also made through Seminars, Project works, Tours, Field visits, etc. Some departments conduct various types of Tests, Quiz and other academic activities related to internal evaluation. MCQ Bank of each subject helps students to test their knowledge. Remedial Classes are conducted for slow learners. Assessment of Group Discussions, Seminars, and Mock Interviews Tests help to know the performance of the students. A third-party evaluation is done for some Academic Activities. Physical Education Exam for first year students is made Compulsory.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The College has to follow the examination schedule of the affiliated University. Accordingly, an Academic Calendar is prepared by adjusting the University timetable and Continuous Internal Evaluation activities are confirm

it. IQAC interact with teachers and students for the flexible arrangement of exam schedule. The Academic Calendar is very useful and informative document that gives the most important dates to the teachers and the students. The college has its Academic Calendar committee which chalks out the plan of action for the entire academic year. It provides important information about teaching dates, examination dates, extra co-curricular activities, semester-based and annual-based examinations. All the curricular, co-curriculum and even exam-related activities are planned by each department at the beginning of the year.

On the basis of this, the Committee prepares the detailed timetable and Academic Calendar for the entire semester. As the departmental results are declared by University, the result percentage of our students are recorded and submitted to the IQAC for the perusal. Examination Committee is formed to monitor all examinations. It notifies all departments to conduct Seminars, Home Assignments and Tutorials/ Unit Tests as per the schedule given in the Academic Calendar. Internal marks are submitted to the Examination Committee of the college and sent online to the University for the final results. The Students are informed about the examination through timely displayed notices on the boards.

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The parent institute supports the college by allocating funds for the development of physical, academic and support facilities. Various administrative committees are formed to execute the plan and utilization of fund in a proper manner. The budgetary estimate and plan are finalized in the meeting of the CDC. The institution has a lush green spacious campus of 4.75 acres situated at the outskirts of the town. The Principal, Heads of various Departments, Chairmen of various Committees, the Librarian, and Director of Physical Education inform about their infrastructural requirements to plan ahead. The institution through IQAC, timely assesses and upgrades its infrastructural facilities like an adequate number of classrooms, library resources, reading room, playgrounds, various units like NSS, Gymkhana and strives to keep them in line with the growth and need of the changing scenario. The college has 2 Acres playground and a 200 meters running track. It is used for college sports competitions, zonal and inter-zonal sports competitions, local cricket matches, morning walk by local peoples. The recommendations are approved by CDC about the changes in infrastructure and adequate measures are taken up. In order to create and enhance the infrastructure that facilitates effective teaching-learning, the policy is framed according to the strength of students and faculties. The institution strives to update its faculty with the latest happenings in the field of education. Taking into account the role of ICT in the teaching-learning process, the institution has equipped every department with computers and an internet facility. The college has ICT classrooms with the provision of LCD Projectors. The college building comprises of class-rooms, store-room, staff-room, sports-room, NSS-room, ladies-room, etc. The students are provided other amenities like pure drinking water and clean toilets. The noteworthy feature of infrastructural amenities is that our college has a well-equipped and spacious library. It has a rich collection of useful textbooks and rare reference books. The requisition from the departments are routinely scrutinized and validated by the Purchase and Maintenance Committee. The college runs in the morning session but the library is kept open from 9.00 a.m. To 4.30p.m. The college infrastructure is used by the parent institution on public holidays like Sundays for conducting different examinations. The Non-teaching staff looks after the normal repairs regarding electricity, leakages, plumbing, etc. Concerned technicians are hired for certain repairs and maintenance of sanitary blocks. The outdated machines are replaced by the new machines having advanced configurations. Water Tank System is checked on a monthly basis and the purifiers are cleaned on weekly basis. CCTV cameras have been installed at strategic locations such as corridors of buildings, library and at the corner of each floor. Fire systems have been installed at prime locations. The proper checks and balances, periodic inspection,, review of grievance redressed, suggestion box by students, alumni,

parents, peers, and visitors do help in the maintenance of the infrastructure .

7.2.1 – Describe at least two institutional best practices

Best Practice I Title Blood Donation Camp: A Social Attachment Goal: 1 To engage the community to create closer ties between institutions of higher education and communities. 2 To deepen the quality of learning and discovery to develop the humanitarian approach. 3 To serve society by compensating the needs of Blood for needy people. The Context: Community - based learning combines traditional classroom instruction with community service to enhance the learning of the student and civic participation. The college's focus for community improvement and engagement connects academic programme with community service so that students, faculty and community partners can forge linkage between theory and practice, between knowledge and action and between the resources of the institution and the community development.. It is a need of a community to organize such types of camps and compensate the need of Blood for the needy people . The Practice: Vitthalrao Shinde Arts College, Tembhorni organizes regular blood donation camps every year. During the last 17 years, the college has collected 950 bottles of blood in collaboration with Shriman Rambhai Shah Rakatapedi, Barshi. The institutions aims at ensuring easy accessibility and an adequate supply of safe and quality blood and blood components collected from voluntary blood donors to those in need. The blood is stored and transported under optimum conditions with the help of the Rakatapedi. Transfusion is always under the supervision of trained personnel. Under the policy, blood transfusion is available to people irrespective of their economic or social status. The Total Quality Management approach has ensured in smooth conduct of Blood Donation Camps and follow-up work. Every year on the foundation of college, this camp is organized as a social attachment. Evidence of Success: The practice has made an impact on the community, students and teachers. Donated blood is being utilized by people and institutions not only in Tembhorni and Barshi but also in the district and state level. The blood is also being utilized by the patients suffering from Thalassemia, AIDS Hemophilia, etc. The voluntary blood donation camps have resulted in a great impact on the students as well as teachers. The impact is also apparent on personality development, moral education and civic responsibility and is reflected in reduced indiscipline and an enhanced sense of the responsibility among the students towards the college. It has also created a sense of managerial ability among the students for organizing such types of events in the college. Vitthalrao Shinde Arts College, Tembhorni

Resources Required: For collecting blood Bottles, a hospital mobile van is required. Efforts are also made to make blood transfusion services viable through a non-profit recovery system. Skilled staff is also required for the better management of this camp. Problems Encountered: At the initial stage, due to the psychological and Physical fear, no one was ready to donate the Blood. Some Medical and Technical issues were also created. Best Practice II Title: Karmayogi Lecture Series: A Social Movement Goals: 1) To celebrate the Birthday of Hon.
