### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

As per the guidelines of UGC and Govt. of Maharashtra , the institution has an effective tradition to assess both teaching and non-teaching staff. For teaching staff, the focus is on the academic excellence gained by the students learning outcomes of

the students and the PBAS-API score of the faculty whereas the indicators for the evaluation of non-teaching staff are efficiency, sincerity, punctuality, discipline, integrity, honesty, skill enhancement and time bound completion of tasks.

The institution has a three level mechanism for appraisal of the performance of the teachers.

1. Teacher's Self Appraisal System.
2. Teacher's Evaluation by Authorities.
3. Teachers Evaluation by University Committee.

For Teaching Staff, it is mandatory to submit the self appraisal form to the Principal at the end of every academic year. The performance of the non-teaching staff is also assessed through general views of the students and parents. The Principal continuously monitors and guides the non-teaching staff for a smooth and healthy administration.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Through IQAC , the institute reviews the teaching , learning and evaluation process and gives suggestions for incremental improvement in various activities . IQAC has fostered innovation and creativity in the college by improving the work culture of teaching and non-teaching staff. It also motivated the faculty members to organize and attend conference/Seminars/ workshops and

to participate in FDP, STC , RC, OC and increase research and extension activities. IQAC has motivated all the departments to start short term certificate courses for students

and use ICT in teaching learning. Two examples of institutional reviews and implementation of teaching learning reforms facilitated by the IQAC are as following.

**Example 1:**

**\* Review of Teaching Plan and its execution:**

In the beginning of the academic year, IQAC prepares Academic Calendar. All the departments hold meetings for planning of departmental work, workload, timetable, syllabus distribution and teaching plan and prepare their departmental calendar.

**Example 2:**

**\* Evaluation of teachers' performance by students :**

The IQAC evaluates performance of the teachers at the end of every academic year by taking feedback from students on teaching-learning process. For

this purpose IQAC has designed a structured feedback form on teacher's performance. Students as stakeholders review the teaching learning process by giving feedback on their teachers. After review , IQAC gives some valuable suggestions for smooth functioning of teaching , learning and evaluation process in the institute .

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

**Solid Waste Management :**

For the collection of regular solid waste (Dry and Wet) garbage bins are kept at different places on the campus and in library. The collected solid waste is picked up by Grampanchayat Tembhurni, time to time for proper disposal. Newspapers and other paper waste are sold as scrap to the vendors. The NSS Unit of the college organizes cleanliness programs in college premises. The volunteers

regularly participate in campus cleaning initiatives.

#### Liquid Waste Management:

The major sources of waste water generation in college are wash basins and toilets. The college has designed the outflow of the liquid waste in such a way that it prevents contamination of waste water on the campus. A properly constructed leakage proof sewer system is used for drainage. For Liquid waste there is a sock pit outside to collect drainage.

#### E- Waste Management :

Outdated equipments are given to the other branches of the institute for reuse cartridges are refilled to reduce wastage. The institute has planed paperless office system to reduce wastage in any form .
